

Avalon Borough Quality of Life (QOL) Committee

Developing and maintaining our community one step at a time

Avalon QOL

Avalon QOL meetings are held the last Wednesday of every Month at the Borough Building at 7:00 PM.

All residents of Avalon are welcome to attend and participate in making Avalon a community in which we can all be proud.

Avalon Borough has a long history of being a small and close knit community where residents could feel safe and rely upon one another. Spending time on a neighbors porch over a glass of lemonade and enjoying good conversation are just some examples of how people could develop a sense of community.

Avalon was once a community that thrived with small businesses, all in walking distance, where neighbors would regularly see each other while enjoying the great convenience of local stores to meet their needs.

The Avalon Quality of Life Committee is a sub-committee of the Avalon Borough Council. It is open to all residents who are interested in exploring ways to preserve and revitalize Avalon's traditions, businesses and sense of community.

The committee could use your help and we hope you'll consider joining us! It's a great opportunity to develop relationships with neighbors that all share the common goal of having our community grow and flourish.

We have many ideas already that may be of interest to you and we would welcome your ideas and perspective!
