Length of excavation in unpaved area: _____ Ft. Width of excavation in unpaved area: _____ Ft.

Reason for work: _____

Emergency repair? Yes No If Yes, explain _____

The applicant must notify Borough of Avalon Public Works (412) 761-5820 a minimum of 24 hours before work starts and shall not backfill any trenches before the work has been inspected and approved by Public Works. The applicant also agrees to protect the opening by suitable barricade and lights and to be liable for any damage of whatever kind that may be caused by said opening, as also the whole expense or restoring said street/road to Avalon Borough standards. Permits expire 30 days from the date of issuance. Extensions can be requested in writing to the Borough.. The entire work must be done in accordance with the Avalon Borough Code. The Borough requires curb to curb street replacement on paved roads with repairs of 10 linear feet in each direction from the excavation. If work takes place within 10 feet of an intersection, the intersection must be repaired fully including at least 10 feet into each cross street.
